ISSUE 7.3
September 26, 2018

Greetings!

Cleveland has had a great summer! With the wonderful warmth of summer coming to a cool, fall is right upon us. Get ready for football season, pumpkin picking, hay rides, and more! With the change of seasons, it also means that flu season is right around the corner.

The Northeast Ohio area has always been known for its hospitals and medical treatment facilities. The U.S. News & World Report has nationally ranked the top hospitals in the country, and many of them are in our backyard! According to the 2018-2019 rankings, Cleveland's own Cleveland Clinic received 2nd place nationally on the Best Hospitals Honor Roll. The Clinic has received this ranking for three consecutive years. The Cleveland Clinic also held its ranking as the top urology department for the second consecutive year. Cleveland is also the place to come for heart issues, as the cardiology/heart surgery department has held its top rank for the 24th year in a row! Among the state of Ohio, University Hospitals Cleveland Medical Center was received 2nd, Akron General received 11th, South Pointe received 13th, and MetroHealth Medical Center and Summa Health Akron City tied for 18th close behind them.

We're very lucky to have these amazing facilities in Northeast Ohio!

Inspirational Quote:

"The only way to do great work is to love what you do." -Steve Jobs

Brain Teaser:

*First, I threw away the outside and cooked the inside. Then I ate the outside and threw away the inside. What did I eat?

Name: Chelsea Andro

Title: Human Resources Generalist

Years at Bay: 6

Quick facts: I graduated from Avon Lake High School, and I have a half brother, half sister, and 2 dogs.

What are three things you have a passion for? Traveling, outdoors, and animals

What are your favorite things about Cleveland/NE Ohio? Lake Erie! I have always grown up boating. My dad and grandparents were always on boats on the water so it grew to be my favorite thing.

What did you want to be when you grew up? A veterinarian

If you could have the superpower of your choice, what would it be? Teleportation - The key to quick sight seeing!

Where's B.C.?

Have a cool picture with B.C. at work, on vacation or in your neck of the woods? Submit them to be featured here, on our social media sites, and our wall display in the Sales Department!

B.C. celebrated with our employees at our annual Summer Party! He's pictured here in a snapchat with our President, Larry, and Human Resources Generalist, Chelsea, being photobombed by our Vice President of Marketing, Mark! B.C. enjoyed some food from the Swenson's food truck, a DJ, a bounce house, a corn hole tournament, and more!

Many great things are happening around Cleveland and Northeast Ohio!

Ohio's legislation has officially lifted its ban on dogs in patios and other outdoor spaces! Pet owners can soon sit alongside their furry friends at the open-air spaces of coffee shops, restaurants, and bars. Businesses can choose to allow their customers to bring dogs onto their patios. This law officially goes into effect October 28th. Totally paw-some news for business owners and dog owners alike.

Cedar Point's Steel Vengeance was named the best new ride in 2018 by Amusement Today magazine! The new steel coaster, built in place of the previous wooden coaster called Mean Streak, also received third place in the Best Steel Coaster category. Among these rankings, Millennium Force was ranked second and Maverick was ranked ninth for the Best Steel Coaster. What a thrill!

WOW Air will be returning to Cleveland Hopkins International Airport in the spring of 2019! WOW Air competes with Icelandair. Cleveland is the smallest U.S. city to offer services from both of these carriers. WOW will be suspending services over the winter; however through the fall, they are having a sale through October. You can receive one way tickets to Reykjavik for \$69, and tickets to London, Frankfurt, and Brussels for \$99! Get out and travel!

In other Northeast Ohio news...

Browns 1st win in 635 days!

Playing on the nationally featured Thursday night game, this year's HBO "Hard Knocks"

For the past eight years during the month of October, Bay Corporation has encouraged our employees and friends to get active through our annual Walktober Challenge!

WALKTOBER

This year, our employees can each sign up for 15 minute slots where they can leave the building and walk around the neighborhood. The people who sign up to walk during the week will then be entered into a drawing for gift cards. We also sponsor two company salad bars throughout the month to encourage our employees to eat healthy. At the end of the month, we will bring in a masseuse for our employees. We also encourage our employees to enter the Bay Village 5k, being held on October 20th of this year, by paying the entrance fees of employees who want to enter.

At Bay Corporation, our employees know the importance of staying healthy and in shape! With the fall weather coming in, it is the perfect temperature to exercise outside among the leaves. Here is Brian Forgach, our Director of Sales, who has taken up mountain biking this summer! Keep up the great work(out)!

You may also have heard the saying "Sitting is the new smoking". After the various research studies that have come out this past year about the threats that sitting can bring to your health, Bay Corporation has begun adding standing desks for our employees. We encourage everyone to make healthier habits and exercise goals.
