

# Our innovative 90° swivel adaptor

Don't be fooled by its deceptively simple design; our one-of-a-kind 90° swivel adaptor is revolutionizing hose fittings in the medical field and beyond. Part of our complete line of pipe thread to barbed hose adaptors; the 90° swivel adaptor helps prevent dangerous kinks and chafing that can result in leakage.

# Stay on the cutting edge of technology

with our 90° swivel adaptor. The innovative design provides increased mobility while maintaining a secure connection; and you can save money on replacements and enjoy the full life of your hoses when you decrease wear and tear at the point of contact between hoses and adaptors.

- **Tamper resistant design**
- **Permits 360° rotation**
- **Avoid hose kinking**
- **Improve safety**
- **Compact**
- **Balanced seal design**
